SUBJECT: ARMENIA: UN HUMAN RIGHTS COUNCIL DEMARCHE DELIVERED

REF: STATE 57036

Sensitive but Unclassified. Please Treat Accordingly.

(SBU) On April 12, DCM met with Deputy Foreign Minister Armen Baiburtian to discuss Secretary Rice's letter (forwarded the previous day) requesting that Armenia join the U.S. in pledging to support for membership in the new UN Human Rights Council only those candidates with positive track records on human rights. We urged strongly that Armenia make a similar pledge. Baiburtian did not answer directly when we asked if Armenia currently planned to support the candidacy of any country which systematically abused human rights. When we asked point-blank if Armenia would logroll with Iran for election to the Council, Baiburtian answered only that "we will certainly consider the Secretary's letter carefully" before taking any decisions.
